Xxxxx Xxxxx Council Vision Statement
We will be the premier positive youth development organization building leaders of character today for better communities today and tomorrow.

Xxxxx Xxxxx Council Strategic Vision Goal
Every year one in five youth will benefit from two or more significant Scouting experiences and providing substantial service to their community.

Xxxxx Xxxxx Council Measures of Success
We will know we are successful when:

- Every youth can participate in a quality, exciting Scouting program in a unit within 1 hour of their home.
- We have a fun and exciting program, as seen by youth and volunteer membership, retention and activity increases, Voice of the Scout score increases, and youth market penetration increases year-on-year.
- Our youth are in the top ten percent nationally in advancement and retention and our alumni are community leaders.
- We are and are perceived as diverse and inclusive and as developing leaders committed to the community as a whole, as shown by increased numbers and percentages of minority ethnic group members and economically disadvantaged individuals in our membership and leadership.
- Every youth, unit and district is supported by sufficient trained and motivated leaders working together, volunteer and professional, with adequate resources to support a quality, exciting Scouting program, demonstrated by youth to leader ratio of 4:1 for Cub Scouts, 6:1 for Boy Scouts/Varsity Scouts and 8:1 for older youth programs, a unit support ratio of 3 units to 1 commissioner, and district and council committees that are both fully staffed and maintained a ratio of 1 committee person per 10 units, whichever is higher.
- The council is debt-free, financed by a balanced combination of: direct contribution from families, business and community sponsors; indirect contribution; earned resources; and endowment that fully covers costs of business, camp, and future growth, and no single revenue source is less than 10% or more than 40% of the total.
