#### APPLICATION MANAGER

Application Manager is a tool on [my.Scouting.org](http://my.Scouting.org) providing you the ability to review and accept or reject youth applications for your unit. This capability is shared with your other unit Key 3 leaders.

#### Before your unit begins accepting registration through the online system

- Review the Online Registration Unit Guidebook and training at [www.Scouting.org/onlineregistration](http://www.Scouting.org/onlineregistration).
- If you don't already have a login account, create one at: [my.Scouting.org](http://my.Scouting.org).
- Add [myscoutingtools@Scouting.org](mailto:myscoutingtools@Scouting.org) to email's safe senders list.
- Update your my.Scouting Tools profile and do the following:
  1. Ensure the proper Unit is listed in your profile. *If not, please call your council registrar.*
  2. Ensure your "positions" are listed correctly for each position you hold within Scouting. *If not, please call your council registrar.*
  3. Verify that your email address is listed correctly. *If not, please make the appropriate edits to your profile.*
- Ensure the "Contact Us" info is correct in your unit's pin in the BeAScout system. To edit pin information, please follow the instructions and training at [www.Scouting.org/onlineregistration](http://www.Scouting.org/onlineregistration).

#### Once online registration is active for your unit

- Check your emails for a summary of actions to take. If you receive an email it means a lead or applicant on your dashboard needs a response.
- Take action within 24 hours of receiving new leads or new applications. Keep in mind that families who are excited about joining are waiting for your response.
