Advanced Planning for 2020 Roundtable Content

As you continue to plan your upcoming roundtables, please know that the national team is working diligently to produce timely, effective content for your districts and councils. Once content is developed, it will be added to the Roundtable Support page. With an eye to the future, please note the current plans for the remainder of 2020:

- **Safety Moments**
  - September: Code of Conduct
  - October: Digital Safety & Online Scouting Activities
  - November: Winter Sports
  - December: Is It Scouting?

- **Cub Scout Breakouts**
  - September: In-Person Recruiting Events During Pandemic
  - October: Welcoming New Families
  - November: Keeping Your Cub Scouts Having Fun
  - December: Pinewood Derby Hacks

- **Scouts BSA Breakouts**
  - September: Recruiting in the Time of Pandemic
  - October: How to Conduct Virtual/Socially Distanced Ceremonies
  - November: Getting Back to the Outdoors
  - December: Diversity/Equity/Inclusion Merit Badge

NOTE: Announcement of Hot Topics, by their nature, will have shorter lead times. The goal for that segment of roundtables is to share information that requires immediate action by volunteers.
